

INDIVIDUAL GUEST/ATTENDEE RESERVATIONS

Step

1

PREPARATION

- If you don't already have a *My Disney Experience* account, create an account on MyDisneyExperience.com

Step

2

PREPARE AND LINK TICKETS

Best done on a desktop computer, not a mobile device

- Sign into your *My Disney Experience* account and navigate to Park Tickets
- Select the Link Tickets option and enter the Ticket number (the 12 Digit Code on the bottom right hand corner of the ticket) that has been provided to you by the meeting planner or individually purchased.
- These cards serve as the ticket for entry into the Parks.

Step

3

MAKE YOUR THEME PARK RESERVATION

Best done on a desktop computer, not a mobile device

- In your *My Disney Experience* account, select the Disney Park Pass System option from the drop-down menu or the Park Reservations option on the homepage.
- Choose the date and Park. If you have a multi-day ticket, repeat the above process in Step 3 to book additional Park reservations for each day.
- If you have a *Park Hopper*® option on your ticket, you are able to visit more than one Park per day after 2PM, subject to capacity limitations. At this time, a Park reservation is not required after the first Park, however, reservation requirements are subject to change.
